GALLONE'S BRANCHES OUT WITH TOWN CENTRE STORE

NEW ICE CREAM PARLOUR SET TO OPEN IN ABINGTON STREET LOCATION

By Nick Spoons

Chief Reporter
nick.spoons@jpress.co.uk

A Gallone's ice cream parlour set to open in Abington Street will be more than double the size of its predecessor in Northampton, the company has said.

The famous brand opened its first, 25-seater parlour in Kingsthorpe two years ago.

Now the former Connexions unit in Abington Street is set to be a Gallone's franchise, seating 60 people and offering children's birthday parties when it opens in two weeks' time.

Aldo Gallone, managing director, said the success of the Kingsthorpe parlour has prompted an expansion of the franchise. In two years, it has been joined by a parlour in Market Harborough and another in Bedford, which

opened just last week. A fourth premises will open in Leamington next week, followed by the Abington Street parlour the week after that.

Mr Gallone said: "Although we're not able to run all the premises ourselves, there's enough demand to justify these franchises, which will sell our ice cream for us.

"I thought I'd just see how it went [with the Kingsthorpe parlour] but it doubled my expectations. People just love being able to walk in and see all the flavours in front of them.

"There's nothing like seeing a kid's face light up when they walk in and you can see them thinking 'where do I start?'"

Gallone's believe that Abington Street is a good location because of the two hours' free parking nearby, and the ability for parents to drop off children outside Abington Street for parties, where they will be able to make their own ice cream.

Aldo Gallone, pictured here in the Kingsthorpe ice cream parlour, has high hopes for the new branch opening soon in Abington Street

Shoppers thanked for food bank donations

By JANET BEW
janet.bew@jpress.co.uk
07803 505 953

Generous shoppers have boosted a food bank's stocks by donating tins, bottles and packets of food.

The Tesco store in Mereway, Northampton, organised a neighbourhood food collection to help people in need in the town.

It is the sixth time Tesco has held a neighbourhood food collection. The scheme started in 2012 and the supermarket now runs two collections a year. The most recent collection ran from Monday, June 29, until Sunday, July 5.

Shoppers at the store, and staff who work there, donated 308 trays of food.

The store's customer experience manager Emma Brandon said: "We would like to

Deputy mayor of Northampton, Cllr Christopher Malpas, with staff and volunteers at the Tesco store in Mereway

thank all of our generous customers for their support, it really has been fantastic.

"Also, a big thanks to all the volunteers that helped collect and sort the donations.

"We are always looking for ways to support our local community and these donations

will help a lot of local people."

The deputy mayor of Northampton, Cllr Christopher Malpas, visited the shop on the Saturday to show his support and spent time talking to volunteers about the collection.

Tesco runs the collec-

tion in conjunction with two charities: FareShare and The Trussell Trust, who distribute the food to those who need it locally. Tesco also tops-up customers' donations by 30 per cent to help the charities feed even more people in need.

"Tickets For Troops is a fantastic charity, one of those simple and effective ideas that does exactly what it says"

Gary Lineker, founding patron

Tickets For Troops delivers free tickets for big events like top sporting fixtures, big name TV shows, superstar music gigs and West End hits for members of the armed forces.

Any member of the military or veterans from 2001 can qualify for free tickets by registering with the website using their own individual military identity details.

If you are an organisation who like to do something to support Tickets For Troops please let us know through the website.

If you are soldier, sailor or airman and you have not registered, please join us today.

POLICE

Female officers and staff mark 100th anniversary

Female officers and staff from Northamptonshire Police and the Office of the Police and Crime Commissioner joined to mark the centenary of women in policing.

This year is the centenary since the UK's first warranted police office.

Chief Inspector Fay Tennet said: "The service has come a long way and women play a vital, frontline role in all we do, whether you are a firearms officer, forensic expert, assistant chief constable, response driver, police community support officer, member of

support staff or volunteer.

"This was an opportunity to celebrate how far we have come and to have a 'moment in time' to remember all those women who have made the police service great and are building for the future."

This year also marks the first time which

Northamptonshire Police has had three female chief inspectors in the force.

Assistant Chief Constable Rachel Swann: "It was a proud moment for me to line up with a large number of my female colleagues to commemorate the 100 years."

Science day opens new doors for girls

An exciting Summer Science Extravaganza was hosted by Northampton High School.

High school girls were joined by nearly 80 girls from other local schools including Boughton Primary School, Newbottle and Charlton School, Hardingstone Academy, Hackleton Primary, Preston Hedges, Brixworth Primary, Wootton School Primary and Chiltern Primary.

The day started with an interactive workshop by Highly Sprung, who combine science with dance and drama.

Their presentation, titled Commotion, aims to explore and test the physics theories surrounding sound, light, electricity and forces.

Other activities during the day included workshops on aerodynamics, designing, forensics, on the chemistry of Lush bath bombs, the science of clean water by Anglian Water, and creating balloon-

One of the students during a science experiment at the high school.

powered cars with visitors Bloodhound Racers.

The aim of the day was to give Year 5 girls an opportunity to develop an enjoyment of science, learn more about scientific principles and make new friends with girls from other schools.

Year 9 Athenians, a group of girls at Northampton High

School identified as the most academically able, also took part in enrichment activities including looking after the Year 5 girls and acting as representatives for Northampton High School.

During the summer term they had also spent time developing quiz questions and organising a treasure hunt.

GET IN TOUCH

Cloudy2Clear Windows – Service With A Smile!

It's been a crazy few months for Cloudy2Clear Windows. The company which specialises in repairing windows which are steamed up, broken or damaged by replacing the panes – not the frames has grown rapidly as homeowners take advantage of their services.

Managing Director Trevor Skidmore feels that it's all about service. 'Our product is simple. If your double glazing is misted up we can replace the glass at a fraction of the cost of a new window, in any type of frame, and with a new 10 year guarantee. But it's not just about saving people money, although

that obviously helps. Many tradespeople have struggled since last year and I honestly feel that during the good times a minority perhaps didn't focus on customer care as much as they should have done. We make sure we turn up when we say we will, do the job the customer requires and leave their house as clean as a whistle. I often get comments back from customers on how they really didn't expect that sort of service which, in a way, is very sad for the service industry as a whole.'

Cloudy2Clear service the Northampton, Kettering, Wellingborough & Corby areas and Trevor is finding that his

approach is a major factor in his success. 'The truth is that it's not just the personal satisfaction that I get from doing a good job but also it makes good business sense. I get a huge amount of business from friends and family of people I've done work for,

which just goes to show how much a little bit of effort is appreciated.'

So, if your windows are steamed up, broken or damaged give Trevor a call for a free quotation on 0800 61 21 118 and he'll be happy to help!

STEAMED UP DOUBLE GLAZING?

Don't replace the Frames... just the Panes!

Burglary victims have 1 in 4 chance of second break-in

BY NICK SPOORS
Chief reporter
nick.spoors@jpress.co.uk

One in four burgled homes in Northamptonshire have been broken into before.

Northamptonshire householders burgled twice are more likely to be broken into again than anywhere else in the country.

The figures released by Victim Support, covering the period between 2008 and 2013, show 25 per cent of burgled homes were targeted again.

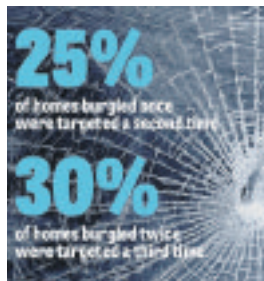

And 30.8 per cent of houses burgled twice were broken into at least once more, the highest rate in the country.

Karen Froggatt, director of the charity, said: "Thousands of homes are being blighted by burglaries. Getting burgled once can be devastating, but to be burgled multiple times is, understandably, extremely difficult for victims to recover from."

"Victims tell us that they suffer far more than lost possessions when their home is burgled, they lose their sense of safety in their own homes."

"Repeat victimisation can have a long-lasting and widespread impact on people's lives."

"That's why it's so important that victims of burglary can get practical help and have someone to talk to, when they do experience this awful crime."

In the period surveyed there were more than 20,000 burglaries in the county at almost 17,000 different houses. A total of 5,082 homes were burgled multiple times.

A Northamptonshire Police spokeswoman said each year of the survey period saw a drop in overall burglaries in the county and that advice is handed out after each burglary.

She said: "As well as investigating, we offer victims crime prevention advice to help them take measures to stop them being a repeat victim."

Guaranteed Over 50 Plan

“Life cover from £4 a month – with no medical”

Sir Michael Parkinson

If you want to leave a cash sum for loved ones after you're gone, either as a gift or to help towards funeral costs, the SunLife Guaranteed Over 50 Plan, provided by AXA Wealth Ltd, could be the answer.

✓ **Cover from as little as £4 a month**
That works out at just 14p a day.

✓ **We guarantee to accept you**
As long as you're aged 50-85 there's no medical or health questions.

✓ **Guaranteed fixed premiums for life**
We simply ask that you keep paying your premiums for life, as if you stop paying, your Plan will end and you won't get anything back.

✓ **Cash sum payable on death**
Once you've had the Plan for two years, it guarantees to pay out a fixed cash

sum on your death. If you die within the first two years, we will pay back all the premiums paid, plus half as much again. You should bear in mind that inflation will reduce the value of the fixed cash sum over time. Also you could pay more in than the cash sum paid out.

✓ **First month free**

Choice of welcome gift including
£75 M&S vouchers

Terms and conditions apply.

Give your views on plan for new school

BY CALLUM JONES

Reporter
callum.jones@jpress.co.uk

A consultation event on plans for a new secondary school, which could be built on the site of the current police headquarters, is due to be held later this month.

Wootton Hall is the proposed location for the new school.

Wootton Park School is a proposed all-through free school, for pupils aged four to 19 years old, which plans to open in the NN4 postcode region of the town in September 2016.

The opening of a new free school, which will be non-fee paying and non-selective, is supported by Northamptonshire County Council as it will make a significant contribution towards meeting the need for extra primary and secondary school places.

The school will open with two Reception classes (60 places), two Year 1 classes (60 places) and four Year 7 class-

es (120 places). It plans to admit two Reception classes and four Year 7 classes each year thereafter, reaching full capacity of 1260 pupils when the first pupils reach Year 13 in 2022. Ten per cent of the places will be allocated to students who qualify for the pupil premium.

No definite site has been announced for the school but Police and Crime Commissioner Adam Simmonds said he was carrying out "feasibility" studies on the future of the

police headquarters at Wootton Hall.

The public consultation events on the Wootton Hall school projects will be held at Danes Camp Leisure Centre, Clannel Road, Hunsbury, Northampton on Tuesday, July 14 from 6pm to 8pm and Monday, September 7 from 1pm to 3pm. The consultation period runs until Friday, September 11.

For more information go to <http://www.woottonpark-school.org.uk/consultation/>.

"We always let our customers do the talking!"

“ It is fantastic having you as a point of contact for the Northampton Chronicle and Mercury - you're hard working, pro-active, energetic, and a fantastic source of knowledge, which we as a company have lapped up. This did wonders for putting our company on the map in Northampton. The experience and support you provided gave me the time to focus on our marketing and run selected sales at key times in the month. Between the two of us, I think it's fair to say we raised the profile of Tile Choice way beyond expectations.
Tile Choice: 01902 357058 ”

“ We recently ran a large Ad on a property in the Mercury and Citizen and I would like to thank you very much for your help and advice on running this promotion on this particular property showing several internal photographs of the house. As a result of this advertisement we had many many calls which in turn generated several viewings and I am glad to say this resulted in an agreed sale, subject to contract. Many thanks again for all your help and time - much appreciated
Ashby Lowery Residential Sales: 01604 609609 ”

“ Thank you for the brilliant service you gave me when placing my listing. Originally I was only going to place one for a few weeks but with the great help and attention, you showed me the benefits of taking on a year's listing. I can now look at expanding the size of listing, areas and papers that I advertise in. I will recommend you to the other 5 businesses that I work closely with. I look forward to doing more business in the future.
Simply Sensational Services: 01234 306244 ”

“ I would like to thank you for all your help and for your assistance with booking my advertisement, I have found you most helpful in assisting me. I had advertised little before within these publications and you have presented various ideas. We gained more response than expected which has been fantastic and I have now committed to a longer period of advertising for my gardening and landscaping business.

University reveals latest designs for new campus

The University of Northampton has released designs of the student accommodation proposed for the new Waterside Campus in the town centre.

The university is due to move to a site off Bedford Road, near the River Nene, in September 2018.

Planning permission has already been received for

a footbridge crossing from Becket's Park, a vehicle bridge which will cross the River Nene from the Bedford Road onto the campus as well as the designs for the academic and sport buildings.

The university has now drawn up designs for the student accommodation, which will consist of a mixture of four-storey shared townhouses

and five storey cluster flat accommodation featuring enclosed landscaped courtyards.

The plans are available to view online at www.northampton.ac.uk/waterside until July 31 for local residents to view and comment on. People can share their feedback and views by emailing waterside@northampton.ac.uk or calling Northampton 892289.

Exclusive preview event

Rockingham Cars Mazda, in Corby, is hosting an exclusive preview event for the all-new Mazda MX-5 sports car on Thursday, July 27.

The event offers customers the chance to be among the first to see the hotly anticipated convertible, both in the metal and in an exciting new way using high-tech Oculus Rift virtual reality headsets.

Using the special headsets, customers can interact with a high-definition 3D version of the iconic Mazda MX-5, personalising the car's exterior

colours and interior trim in an instant, according to their preferences.

Product specialists will be on hand to provide in-depth information on the new sports car's sophisticated combination of design, connectivity, performance and efficiency.

Dealer principal at Rockingham Cars, Matt Hall, said: "The interest we've received in all-new Mazda MX-5 since it was revealed at LA Motor Show in October has been truly astounding.

"The car's rave review by Richard Hammond on the

fateful last Top Gear episode really boosted interest, so we're sure our preview event will prove extremely popular."

Available with a 1.5-litre 131 horsepower and 2.0-litre 160 horsepower petrol engine, customers have a choice of nine models across five trim levels, from £18,495 and can pre-order at www.mazda.co.uk/cars/mazdamx-5/mazda-mx-5-pre-order/.

For more information about the all-new Mazda MX5 preview event, visit the Corby showroom or call 01536 268991.

Registration for the latest JobsToday virtual careers fair has now opened

Jobstoday have opened registration for their latest national Virtual Careers Fair to connect talented job seekers to local and national employers.

The Virtual Careers Fair is an online platform where job seekers can browse top companies from across the UK, connect in a real time environment and apply for advertised vacancies; all for FREE and from the comfort of their computers. Proven a popular platform with both employers and job seekers alike, the 12 day fair will take place from the 2nd September to the 13th September.

Exciting online features include chat and video technology; businesses can bring to life their vacancies while job seekers can speak to employers to really show off their skills and expertise to help them land their next job. Job seekers can also take advantage of the compatibility test which allows them to find out which companies are most suited to them.

A wide range of employers will be attending to suit every candidate's needs – great businesses already booked to attend

include Nationwide and Sodexo.

The pre-registration process will guarantee registrants entry to the event ensuring they don't miss out. Plus, all job seekers who register before the 2nd September will be automatically entered into a free prize draw to win an iPad Mini.

Joanne Harwood, Group Category Manager at Johnston Press, said: "Our aim is to help candidates and employers to connect all over the country. With busy lifestyles searching for that perfect job can be a time-consuming exercise, especially when trying to juggle existing work commitments. A virtual experience, which results in the same outcome by helping job seekers find better opportunities at the convenience of their homes, can only benefit job seekers."

Job seekers interested in the fair are encouraged to sign up for free today at www.jobstodaycareerfair.com to ensure they are guaranteed entry from the 2nd September.

Businesses can find out how to get involved by contacting 0114-299 6173 or emailing info@jobstoday.co.uk

SPORT

Levi setting sights on home tie

Big-hitting batsman bids to book T20 clash at County Ground

CRICKET

Northants Steelbacks hero Richard Levi is targeting a home quarter-final in the NatWest T20 Blast after his superb 67 blew Leicestershire Foxes away.

Levi compiled the total in just 28 balls as the Steelbacks superbly hunted down the Foxes' 111 for four with nine balls to spare.

Sunday's rain-affected game was reduced to 10 overs per side and Grant Elliott looked to have put the Foxes in a winning position with 56 from 29 deliveries.

But Levi was to steal the spotlight, starring alongside Josh Cobb and Ben Duckett as the Steelbacks claimed a stunning success.

David Ripley's men are now firmly ensconced in the North Group top four with three matches remaining.

And Levi said: "I have not really come off and won the game outright this season but today I hit the ball well and where I wanted to hit it.

"A 10-over game gives you the freedom to go after the ball.

"The second over gave us momentum and set up the game beautifully.

"I've got a few 30s and 40s

but haven't got one to blow a team away with so it was good to get one of those today and I'm slowly working out the recipe.

"It's a big thing to get a quarter-final (place), we're gaining momentum and if we win our final few games we should get that and maybe even a home tie."

This Friday, the Steelbacks host a Yorkshire side who have struggled in the T20 this season.

And head coach Ripley admits he would have expected the star-studded Vikings side to do better.

He said: "I'm surprised because you put that team down on paper with those two signings and they have been in the finals day not that long ago.

"They've got all that experience already and you might have thought they'd have gone better, but that's the nature of the competition: anyone can beat anyone on their day.

"Yorkshire have had some tight defeats; I saw them lose the Roses game when Jos Buttler won the game for Lancs.

"You just have to get on a bit of a roll pinching those tight games. It's very small margins.

"You'd have thought they'd be more likely to be looking for a home quarter-final rather than not qualifying at all."

IMPORTANT INNINGS Richard Levi lapped up the runs as the Steelbacks got the better of Leicestershire at the County Ground on Sunday

Brighton trip was a boost for Cobblers

ASSISTANT boss Alan Knill says Cobblers' week-long training camp in Brighton proved a big hit with the players.

The Town squad, including four trialists, headed to the south coast last Monday and spent the week training together in preparation for the season.

They also played two pre-season friendlies, first beating Worthing 5-2 before they were held to a goalless draw at Burgess Hill Town on Saturday.

FOOTBALL

Trialists Sam Hoskins and Rod McDonald featured in both games but Gozie Ugwa missed out on Saturday having picked up a knock against Worthing.

Speaking about the training camp, Knill said: "It was excellent. It was just really good to get the players together. We've got some new players and they've all integrated really well.

"The lads all seem to get

on well so it's been a real positive week.

"There's lots that we still need to work on but the most important thing is that it was another 60 or 70 minutes for some and it's at the end of a tough week so we expected everyone to be tired.

"Obviously the most important thing is the first game of the season and that's where we want to be, but it's been a good week and our last three games have been good workouts."

Cobblers have four pre-season games remaining, starting with this Saturday's home friendly against Derby County before fellow Championship side Birmingham City come to Sixfields three days later.

"Now we've got a tougher week ahead as we have Derby and then Birmingham, so it's a step up in opposition but I have to say that it's been a really good week for us," Knill added.

"We're looking forward to the games coming up. It

really will tell us where we are fitness wise because the quality of the opposition we're playing means they'll have more of the ball than us so it'll be a good marker in terms of where we are."

And defender Ryan Cresswell is now looking forward to testing himself against better opposition.

The 27-year-old played 45 minutes in Saturday's goalless draw, and also featured in wins over Sileby Rangers and Worthing.

"We're all excited for

the next couple of games," Cresswell said. "It's good to test yourself against good players and that's what is coming down.

"You look at Derby's and Birmingham's squads - they're really good, they're strong and they're really physical and that's exactly what we want to test ourselves going into the season.

"At the moment it's all about building up fitness and gelling together on the field."

FAMILY FUNDAY

**Saturday 18 July 1-5pm at
Lings Forum Leisure Centre**
